

5 MARCH 2010

SOUTHEAST ASIA
RESEARCH PROGRAMME

The Southeast Asia Research Programme (SEARP) of the IPCS, aims to promote research on Southeast Asia in India, map the existing nature and dynamics of India-Southeast Asia relations, and highlight current political, economic and security developments of mutual concern. Besides, it seeks to provide a platform for greater deliberation among policy-makers and academics on various policies concerning India and Southeast Asia, through organizing events and publishing reports.
